Monthly Budget

Month: _____

Write what you plan to spend, then what you actually spent. Difference = budget - actual.

INCOME

Source	Expected	Actual
Paycheck 1		
Paycheck 2		
Other income		
Total income		

EXPENSES

Category	Budget	Actual	Difference
Rent / mortgage			
Electricity & gas			
Water & trash			
Phone & internet			
Groceries			
Eating out			
Gas & transit			
Car payment			
Insurance			
Debt payments			
Savings			
Emergency fund			
Personal care			
Clothing			
Entertainment			
Gifts & giving			
Other			
Total expenses			

Income - expenses = _____ left over

Starter rule many beginners use: about 50% needs, 30% wants, 20% savings and debt. Adjust it to fit your life.
