PROFILE

Your profile is one of the most important parts of your resume. This section should give a concise summary of your career to date (5 sentences max). This will be one of the first sections your future employer/recruiter will see, and you don't want it to be the only one! Your profile needs to capture their attention and get them to keep reading your whole CV. One final tip; It is usually easiest to write this part last!

WORK EXPERIENCE

Job title / Position

Company | MM/YY – MM/YY

Summary of your role in the position. Detail your role, responsibilities and, importantly, highlight your achievements. List your roles chronologically, starting with the most recent first. Use bullet points to summarise your accomplishments and key experience you want to highlight
