Pomona, NY 10970

Education:
Doctor of Pharmacy
Yale University School of Medicine
New Haven, CT
May 2050

Core Competencies:
- *Medication Dispensing and Management*
- *Patient Counseling*
- *Medication Therapy Management*
- *Pharmaceutical Care*

Objective
Passionate pharmacist with over two decades of experience in clinical and retail pharmacy settings. Known for a strong commitment to patient well-being and exceptional attention to detail. Proficient in optimizing patient outcomes through accurate medication dispensing, counseling, and medication therapy management.

Professional Experience
Pharmacy Manager, Benford Healthcare
San Francisco, CA
January 2055 - Present
Responsibilities
- Oversee pharmacy operations, ensuring regulatory compliance, inventory management, and staff training.
- Implement quality assurance programs and perform medication therapy management for patients with complex medical conditions.
- Foster strong relationships with healthcare providers to optimize patient care and medication regimens.

Clinical Pharmacist, Stilner Hospital
San Francisco, CA
April 2052 - December 2054
Responsibilities
- Provided pharmaceutical care in an acute care setting, collaborating with medical teams on patient rounds.
- Conducted therapeutic drug monitoring, adjusted medication regimens, and educated patients on proper drug usage.
- Developed and implemented medication guidelines, improving safety and efficacy in patient care.

Staff Pharmacist, Community Pharmacy
New York, NY
July 2050 - March 2052
Responsibilities
- Dispensed prescriptions, counseled patients on medication usage, and managed prescription insurance claims.
- Assisted in the development of medication synchronization programs to enhance medication adherence.
- Collaborated with healthcare providers to resolve medication-related issues and enhance patient care.
