

Meet The Teacher

Mrs. Thompson

About Me

Hello everyone! I'm Mrs. Linda Thompson, your enthusiastic Grade 4 guide! With over 12 years of teaching experience and a Master's from Harmony Education Center, I'm thrilled to make learning an adventurous journey. Together, we'll dive into the world of books, experiments, and history, transforming our classroom into a vibrant hub of curiosity and excitement!

Fun Facts

I'm an avid gardener and have a small vegetable garden at home. I've cataloged nearly 150 plant species! Weekends are for nature walks and playing tennis.

My Favorites

I have a passion for reading historical novels. I also enjoy baking and my all-time favorite treat to bake and share is double chocolate chip cookies.
