
FALL LEAVES
PRESCHOOL LESSON PLAN
color & b/w
Theme: FALL LEAVES
MONDAY
TUESDAY
WEDNESDAY
Question of the day
What color are the leaves on the trees outside?
What sounds do you hear when you walk on dry leaves?
What do animals do with leaves?
Circle time
Discussing the changes in leaves during fall: colors, why they fall off trees, and different shapes.
Discussing the sounds of fall: crunching leaves, wind rustling through trees, etc. Talking about how leaves feel and sound when they are dry.
Discussing how animals use leaves: for nests, food, and shelter. Introducing the idea of composting and how leaves help the soil.
Hands - on activity
Leaf Collage
Kids will collect different leaves from outside and use glue and paper to make a colorful leaf collage
Leaf Rubbing Art
Kids will place leaves under paper and use crayons to rub over the paper, revealing the leaf shapes and textures.
How Many?
Kids will do a counting worksheet with leaves
Read aloud
"Leaf Man" by Lois Ehlert
"Red Leaf, Yellow Leaf" by Lois Ehlert
"The Busy Little Squirrel" by Nancy Tafuri
ABB
HOW MANY?
circle or put a clothespin to the right number
