CLASSROOM RULES

01 Mr. and Mrs. Dursley, of number four, Privet Drive, were proud to say that they were perfectly normal, thank you very much.

02 They were the last people you'd expect to be involved in anything strange or mysterious because they just didn't hold with such nonsense.

03 Mr. Dursley was the director of a firm called Grunnings, which made drills. He was a big, beefy man with hardly any neck, although he had a large mustache.

04 Mrs. Dursley was thin and blonde and had nearly twice the usual amount of neck, which was very useful as she spent so much of her time craning over garden fences, spying on the neighbors.
