```
          G
Well, I'm running down the road

tryin' to loosen my load
                      D     C
I've got seven women on my mind,
G
Four that wanna own me,
D
Two that wanna stone me,
C                           G
One says she's a friend of mine,

        Em  D          C  G
Take it easy, take it easy
              Am                  C
Don't let the sound of your own wheels
          Em
Drive you crazy
        C                       G
Lighten up while you still can
           C            G
Don't even try to understand
            Am                   C
Just find a place to make your stand
            G
and take it easy

            G
Well, I'm a standing on a corner

in Winslow Arizona
            D         C
Such a fine sight to see
       G                      D
It's a girl, my Lord, in a flatbed
             C                          G
Ford slowin' down to take a look at me

         Em  D            C  G
Come on, baby, don't say maybe
        Am                   C
I gotta know if your sweet love is
      Em
gonna save me
       C                 G
We may lose and we may win though
        C                G
we will never be here again
        Am                  C
so open up, I'm climbin' in,
        G
take it easy..."Alright"
         G
Well I'm running down the road trying to loosen
                                  D     C
my load, got a world of trouble on my mind
G                        D
lookin' for a lover who won't blow my
             C          G
