With the advent of warmer weather, it's essential to remain vigilant and proactive in safeguarding our homes.

SAFETY AND SECURITY

Architectural Review Committee (ARC) Guidelines:
As guardians of our community's visual harmony, the ARC plays a crucial role in ensuring that any exterior modifications to our homes align with established guidelines. Whether you're contemplating a fresh coat of paint or landscaping enhancements, remember to seek approval from the ARC beforehand to maintain the integrity of our neighborhood's aesthetic appeal.

With the advent of warmer weather, it's essential to remain vigilant and proactive in safeguarding our homes and families. Take proactive measures such as securing doors and windows, installing outdoor lighting, and participating in our neighborhood watch program. By working together, we can cultivate.
