Hi! I'm Mrs. Doxey.
I could not be more thrilled to be your teacher for the upcoming school year! I am ready to make this year the best one yet! Together we will learn and grow. If there is anything that I know, it's that with hard work, kindness, and a bit of GRIT, we can accomplish anything we set our minds to.

back in my day...

5th grade was the first year of middle school! I remember being so nervous. I was also so excited to get a locker. I finally started to enjoy reading at this time. I loved *Holes*, *Where the Red Fern Grows* & *Harry Potter*. 5th grade ended up being one of my favorite years of schooling. I hope the same for you!

my why:

I didn't always want to be a teacher. I went to school for a long time trying to decide what to major in. I had a realization that much of who I am, I owe to teachers. They helped me realize a potential inside of me. My purpose for being here is to do the same for you.
