Budgeting Tips

1. Regularly review and adjust your budget to stay on track: Schedule monthly or quarterly budget reviews to ensure your budget reflects your current financial situation and goals.

2. Save for both short-term and long-term financial goals: Allocate a portion of your income to savings, including emergency funds and retirement accounts, in addition to specific savings goals like vacations or a new car.

3. Use cash envelopes or budgeting apps to manage variable expenses: Utilize cash envelopes or budgeting apps to manage discretionary spending
