Beard Neckline SHAPER

A Flexible and Adjustable Beard Neckline Shaping Template

Quality Time® Beard Guide is a do-it-yourself adjustable, customizable, and flexible template for grooming and shaping your beard neckline. This guide can be used to trim or shave your beard by razor, hair trimmer, hair cutter or shaving machine. This tool works best on short-beard neck-hair under the chin.

- ✔ Adjustable, flexible and customizable tool for shaping your neck hairline under the chin.
- ✔ Includes an adjustable elastic headband to hold the template securely and comfortably in the desired place.
- ✔ One-size-fits-all, adjustable and customizable.
- ✔ Made of a flexible, soft and durable plastic, specifically designed to fit your neck and beard.

User Guide:

1) Place the template on the neck with the band around your head and over the ears.

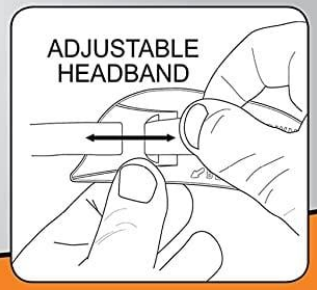

2) Placing your fingers in the finger grooves, position the template in the desired location.

3) Shave, trim or cut the beard along the template.

Warning: Quality Time ® Beard Neckline Shaper is for 18 year olds and up. Do not over-tighten the elastic band. Do not wear for more than 5 minutes.
