Accept credit card payments in QuickBooks or on a mobile device[4]	Turn on Merchant Service: additional fees apply	

1. Online services vary by participating financial institutions or other parties and may be subject to application approval, additional terms, conditions, and fees. 2. QuickBooks Online requires a computer with Internet Explorer 10, Firefox, Chrome, or Safari 6 and an Internet connection (a high-speed connection is recommended). The QuickBooks Online mobile app works with iPhone, iPad, and Android phones and tablets. QuickBooks Online is accessible on mobile browsers on iOS, Android, and Blackberry mobile devices. Devices sold separately; data plan required. Not all features are available on the mobile apps and mobile browser. QuickBooks Online mobile access is included with your QuickBooks Online subscription at no additional cost. Data access is subject to cellular/internet provider network availability and occasional downtime due to system and server maintenance and events beyond your control. Product registration required. 3. First thirty (30) days of subscription to QuickBooks Online Simple Start with Payroll, QuickBooks Online Essentials with Payroll, or QuickBooks Online Plus with Payroll, starting from the date of enrollment, is free. After the first 30 days, you will receive a 20% discount on your monthly service fees for the first 12 months of service. After the 12 months, each month you will be automatically charged at the then-current monthly rate for the service(s) you have selected, until you cancel. Each employee you pay is an additional $1.50 per month. If you file taxes in more than one state each additional state is $12 per month. You may cancel the service at any time by calling 866-272-8734 x111. Offer is valid for new QuickBooks Online with Payroll subscriptions only and is available for a limited time. Offer cannot be combined with any other QuickBooks Online or Payroll offers. Terms, conditions, pricing, features, service and support are subject to change without notice. For additional information see http://payroll.intuit.com/payroll_services/quickbooks_online_payroll.jsp. 4. Intuit Merchant Service is an optional fee-based service. Subscription to QuickBooks Online is required, sold separately. Application approval required. Rates are determined by the financial institution and are subject to change without notice. Transactions are subject to Association guidelines. Terms, conditions, features, pricing, service and support options are subject to change without notice. "Card-swiped Rate" of 1.69% applies to qualified swiped Visa/MC/Discover network transactions that are electronically authorized and requires the Intuit Credit Card Reader which is compatible with select mobile devices or an optional USB Credit Card Reader. "Keyed Rate" of 2.52% will be charged on all qualified manually keyed Visa/MC/Discover Network transactions that have AVS. All Visa/MC/Discover Network transactions that do not meet the requirements stated above, business cards, foreign cards and transactions that do not meet Visa/MC/Discover Network requirements for the best interchange program will be charged a "Non-Qualified Rate" of 3.96% plus an additional $.07 each. Different discount rates for American Express may apply. For additional information see http://payments.intuit.com/rates_quickbooks_online. 5. Data access is subject to Internet or cellular provider network availability and occasional downtime due to events beyond our control. 6. Microsoft Word and Excel integration requires Word and Excel 2003, 2007 or 2010. 7. Data can be imported to QuickBooks Online from the following QuickBooks desktop versions: Simple Start Edition; Pro 99 through 2011; Premier Edition 99 through 2011; Enterprise Solutions 99 through 2011; Basic 99 through 2005. Import from QuickBooks desktop must be completed within the first 30 days of setting up your new QuickBooks Online account. 8. 128-bit Secure Sockets Layer (SSL) is the same encryption technology used by some of the world's top banking institutions to secure data that is sent over the Internet.
