Christian Wedding Ceremony Script

Marriage is a gift from God, given to us so that we might experience the joys of unconditional love with a lifelong partner. God designed marriage to be an intimate relationship between a man and a woman.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

May I have the token of Groom's/Bride's love for _____?

This ring I give in token and pledge / as a sign of my love and devotion. / With this ring, I thee wed.

____ and ____, since you have consented together in holy matrimony, and have pledged yourselves to each other by your solemn vows and by the giving of rings, and have declared your commitment of love before God and these witnesses, I now pronounce you husband and wife in the name of the Father and the Son and the Holy Spirit. Those whom God hath joined together, let no man separate.
