

Elf Christmas Letter

Dear **Caroline Winters**,

Greetings from the North Pole! My name is Sugarplum, and I'm one of Santa's hardworking and cheerful elves. Santa told me to write you up a letter this year. So, I want to tell you how much joy and laughter your Christmas spirit brings to Santa and his workshop!

You have been a very special girl this year and Santa and I have been keeping a close eye on you. With all your good deeds, you really deserve to be on Santa's nice list. Santa told me you have a lot of wishes this year, so we are doing our best to make those wishes would come true.

Don't forget to leave out some cookies and milk for Santa, and a few carrots for his reindeers. Thank you for being the best little girl this year, and for believing in the magic of Christmas!

Warmest holiday wishes,

Sugarplum the Elf
