Wedding MC Script

Generator + printable master of ceremony script

Wedding MC Script

Replace Partner 1 and Partner 2 with the couple's names and [Your name] with yours. Lines in [brackets] are notes for the MC. Delete the moments you do not need.

BEFORE GUESTS COME IN

[Check the microphone, the order of events and how to say every name. Agree on cues with the DJ or band, the photographer and the venue coordinator.]

WELCOME AND HOUSEKEEPING

MC: Good evening, everyone, and welcome! My name is [Your name], and I am a friend of Partner 1 and Partner 2. I have the honor of being your master of ceremonies tonight. On behalf of Partner 1 and Partner 2, thank you for being here to celebrate with them.

MC: A few quick notes before we begin. One quick favor. Please silence your phones for the speeches, and leave the photos of the big moments to our photographer.

MC: In just a moment we will welcome the wedding party and the newlyweds. Please find your seats.

GRAND ENTRANCE

[Cue the entrance music.]

MC: And now, it is time to welcome the people who stood beside Partner 1 and Partner 2 today. Please put your hands together for the wedding party!

[Introduce each pair of the wedding party by name as they walk in.]

[The music changes for the couple.]

MC: And now, ladies and gentlemen, please rise and join me in welcoming, for the very first time as a married couple, Partner 1 and Partner 2!

ABOUT THE COUPLE

MC: What a day it has been. Partner 1 and Partner 2, all of us are so happy for you.

[Add a sentence about how they met, or a fun fact about them.]

DINNER

MC: Dinner is ready! We will invite you up to the buffet one table at a time, starting with the couple's table. Please wait for your table to be called. I promise there is plenty for everyone.

[Call tables one at a time. Keep a list of table numbers and tick them off.]

TOASTS AND SPEECHES

[Ask the DJ to lower the music. Make sure every glass is filled.]
